

American Lincoln Parts

American Lincoln Parts - Now connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the business they are recognized within the industry as providing strong and durable equipment which suits all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are available in the market under the trade mark name "Encore". American Lincoln could supply equipment, components and warranty service for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in new construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location due to the model's excellent quality and utmost performance level for polishing concrete.
