

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since nineteen fifty nine. Whether the work entails positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler will really help make the task go easier and faster. These units are complete with the patented Stabil-Trak stability system in order to ensure operator confidence.

The horizontal placement system by Lull can supply eighty inches of boom travel for precision placement capabilities. There are even several optional Lull accessories for their telehandlers so as to help complete whatever task.
