

Fork Mounted Sweepers

Fork Mounted Sweeper - This attachment really makes industrial sweeping work much easier to accomplish. The versatile forklift mounted broom is meant for use with either wet or dry material clean ups. It can squeegee water and push snow with no trouble. This attachment is frequently used to be able to clean trash from warehouses, construction sites, docks, parking lots and virtually everywhere it is needed. The forklift sweeper is a low maintenance attachment which uses quick-tite fork products to effortlessly attach to the lift truck.
